UNDER \$1 MILLION AT 2009 STAR AWARDS
HOSTED BY THE TEXAS ASSOCIATION OF BUILDERS**

AUSTIN, TX - The Texas Association of Builders is honored to announce that Röhe & Wright Builders is the winner of the 2009 Star Awards' Best Master Bathroom for a Home under \$1 Million. The award was presented during the Star Awards Gala held at the Gaylord Texan in Grapevine, Texas during the 2009 Sunbelt Builders Show™.

The highly-coveted Star Awards are given annually to recognize excellence in home building, remodeling, sales & marketing, or development. Entrants submitted their best work for consideration in this year's competition.

This bathroom is best described as a royal retreat! A stone tile shower with mosaic stone and copper accents gives way to slab marble countertops on his and hers vanities. A faux finished barrel vaulted ceiling is fitted with a custom chandelier. The faux painted groin vaulted ceiling in gallery leads to the master bedroom. A true award winner!

The Texas Association of Builders is a non-profit organization with more than 10,500 members, serving the needs of home builders and remodelers throughout Texas, as well as the companies that service them. The Star Awards are presented annually to honor the best in the residential industry. To view the entire list of Star Award winners, please visit www.TexasBuilders.org.
